Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Community Health Choice (HMO D-SNP) (Community Health Choice). Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

Tendrá que elegir uno de los proveedores de nuestra red que figuran en este directorio para que sea su Proveedor de cuidado primaria (PCP). En general, debe obtener sus servicios de atención médica de su PCP. Su PCP es una parte importante de su equipo de atención médica. Su PCP se asegurará de que reciba la atención que necesita, como realizarle chequeos regulares y tratarlo cuando esté enfermo. Su PCP hará un seguimiento cuando otros médicos le brinden atención. Su PCP debe ser el "hogar médico" de todos sus registros médicos. Su PCP necesita saber todo sobre sus necesidades de atención médica pasadas y presentes. Asegúrese de que su PCP tenga todos sus registros médicos. Si es un paciente nuevo, ayude a su PCP a obtener sus registros médicos de su médico anterior. Es posible que deba firmar un formulario que autorice el envío de sus registros médicos a su nuevo PCP

Puede elegir cualquier PCP en la red de Community Health Choice. Debe elegir un PCP dentro de la ubicación de la oficina y el horario de atención que sea conveniente para usted. Si le gusta el PCP que ve ahora, puede continuar viéndolos si están incluidos en nuestro directorio.

Un PCP puede ser un médico, un asistente médico o un profesional de enfermería capacitado y autorizado por el estado para brindarle su atención médica básica. Las áreas de práctica de PCP incluyen medicina familiar, medicina general, geriatría o medicina interna.

Una vez que elija su PCP, llame gratis a Servicios para Miembros al 1.833.276.8306. Actualizaremos su registro en nuestro sistema.

¿Puede un especialista ser considerado un proveedor de atención primaria?

Si. Los miembros con discapacidades, necesidades especiales de atención médica o afecciones crónicas o complejas pueden solicitar a Community Health Choice que use un especialista como su PCP. Llame gratis a Servicios para Miembros al 1.833.276.8306.

Los proveedores de la red que figuran en este directorio han acordado brindarle sus servicios de atención médica, visión, odontología, audición y transporte. Puede ir a cualquiera de los proveedores de nuestra red que figuran en este directorio. Si recibe una factura de un proveedor no participante, no la pague. Comuníquese con la línea gratuita de Servicios para Miembros al 1.833.276.8306 (TTY 711) para obtener ayuda para resolver la factura del proveedor no participante.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o atención de urgencia o para diálisis renal u otros servicios fuera del área. Para los servicios de emergencia, puede usar un proveedor no participante si es el más cercano a usted. También puede utilizar un proveedor no participante para servicios de atención de urgencia cuando se encuentre fuera de nuestra área de servicio o cuando los proveedores de la red no estén disponibles. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Community Health Choice serán responsables de los costos.
