COMMUNITY HEALTH CHOICE

Consumer Choice Plan Disclosure Statement

This health plan does not include the same level of benefits required in other plans.

This HMO plan is a consumer choice plan. This plan doesn't include the same level of benefits that are in Texas health plans known as statemandated plans. This plan does include all health benefits required by the Affordable Care Act.

To see all benefits offered by this plan, go to the plan's "Summary of Benefits andCoverage."

Benefit/coverage:	**This plan:**	**A health plan with required benefits (statemandated plan):**
Deductible The amount you pay for care before the plan begins to share the cost.	Has a deductible.	Has no deductibles for in-network care.
Out-of-pocket costs The amount you pay when you receive care, up to an annual limit.	Includes out-of-pocket costs that meet federal requirements but may sometimes be more than in a state-mandated plan.	A copay must be less than 50% of the total cost of the service. Annual outofpocket costs must be capped at 200% of your annual premium cost if you alert the plan.
Habilitative and Rehabilitative care Care that helps you improve skills for daily living.	Includes a limit on the number of visits per year for speech therapy, occupational therapy, and physical therapy.	Has no limit on the amount of care if it is needed for medical reasons.

If you want a plan with all required benefits:

We also offer a statemandated plan that includes all required benefits. This plan is not on Healthcare.gov and does not allow you to get help with premiums and outofpocket costs.
