PURPOSE:

To outline and define the Explanation of Benefits (EOB).

POLICY:

After a claim is received and processed by the health insurance company, an **explanation of benefits (EOB)** is mailed to the member. An EOB is a statement explaining what medical treatments and/or services were paid or denied based on their benefit plan.

An EOB includes the date of service, the type of service rendered, the amount billed, discount amount, the amount covered, copay / coinsurance / deductible amount, the amount paid by the health insurance company and any balance the member is responsible for paying the provider. The EOB also include the member's out of pocket maximum and the amount applied year to date.

Page Number: 2 of 4
Effective Date: 02/15/2016

Explanation of Benefits (EOB) - A claims statement that is sent whenever a member uses their health plan for services or products from a healthcare provider. It shows how a member's benefits cover the cost of a service from their provider and what they owe. The EOB is not a bill.

2. **Dates of Service** - The date(s) the member received service.

3. **Type of Service** - The type of services or products the member received from their provider.

4. **Amount Billed** - The full amount billed by the member's provider to their health plan.

5. **Discount** - This section details the amounts that the member does not need to pay.

6. **Amount Not Covered** - The portion of the amount billed that was not covered or eligible for payment under the member's plan. Examples include charges for services or products that are not covered by the member's plan, duplicate claims that are not the member's responsibility, amount related to not getting a pre-approval for service, and any charges submitted that are above the maximum amount the member's plan pays for out-of-network care.

7. **Covered Amount** - The portion of the amount billed that is covered minus discounts and amount not covered.

8. **Copay** - A set amount the member pays for certain covered services such as office visits or prescriptions. Copays are usually paid at the time of service. **Deductible** - The deductible is the amount the member needs to pay each year for covered services before their plan starts paying benefits.

9. **COB** - Amount paid by the member's primary carrier

10. **Plan Paid** - The portion of the charges eligible for benefits minus the member's copay, deductible, coinsurance, network discount and amount paid by another source up to the billed amount.

11. **Member Responsibility** - This section details the portion of the bill that is the member's responsibility to pay. This amount might include the member's copay, deductible, coinsurance, any amount over the maximum reimbursable charge, or products/services not covered by the member's plan.

12. **Reason Code** - When present, these codes provide general information about the claim and may also provide specific explanation of activity that occurred in the Amount Not Covered, Amount Paid by Another Source, and What Your Plan Paid fields
