Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$8,700/Individual   \$17,400/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive Services</u> and Tier 1 Primary Care provided by Doctor on Demand.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.  But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$8,700/ Individual   \$17,400/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and healthcare this plan does not cover.	Even though you pay these expenses, they don't count towards the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://providersearch.communityh">https://providersearch.communityh</a> <a href="ealthchoice.org">ealthchoice.org</a> or call 1-855-315-5386 for a list of <a href="network providers.">network providers.</a>	You pay the least if you use a <u>provider</u> in Doctor on Demand. You pay more if you use a <u>provider</u> in Tier 2. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab works). Check with your <u>provider</u> before you get services. You pay the least if you use a <u>provider</u> in Tier 1.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.
