

Dear Marketplace Member,

Every home in the U.S. is now eligible to receive four (4) free at-home COVID-19 test kits from the federal government. The tests are completely free and usually ship within 7-12 days. To order, please visit <https://www.covidtests.gov/> .

COVID-19 at-home test kits are also a covered benefit as of **January 15, 2022**.

Your pharmacy benefit will cover up to eight (8) FDA-approved at-home COVID-19 tests per member per month, no prescription required.

To prevent any upfront costs, you should purchase COVID-19 at-home test kits at the pharmacy counter of any Community Health Choice network pharmacy.

For a list of in-network pharmacies, visit [CommunityHealthChoice.org](https://www.CommunityHealthChoice.org) > Find a Doctor > Pharmacies.

If you choose to purchase your COVID-19 test kits from a retail store or an out-of-network pharmacy, you will need to pay up front and complete a Claim Form for reimbursement. You will be reimbursed up to \$12.00 per individual test.
