The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-315-5386 or <a href="https://www.communityhealthchoice.org/health-insurance-marketplace/know-the-details-2023/">https://www.communityhealthchoice.org/health-insurance-marketplace/know-the-details-2023/</a>. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-855-315-5386 to request a copy.

| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall<br>deductible?  | \$3,300/ Individual   \$6,600/family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive Services</u> , Primary Care, <u>Specialist</u> , <u>Urgent Care</u> and Generic drugs.                    | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.<br>But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u><br><u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered<br><u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other<br>deductibles<br>for specific<br>services?               | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?          | \$9,100/individual / \$18,200/family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, <u>balance-billing</u> charges,<br>and healthcare this <u>plan</u> does not<br>cover.                              | Even though you pay these expenses, they don't count towards the out-of-pocket limit.   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See<br>https://providersearch.communityh<br>ealthchoice.org or call 1-855-315-<br>5386 for a list of network providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> .<br>You will pay the most of you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware our <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab works). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost-sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
