

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-315-5386 or <https://www.communityhealthchoice.org/health-insurance-marketplace/know-the-details-2023/>. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. | Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall <a href="#">deductible</a> ?                                | \$2,000/ Individual   \$4,000/family  | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .   |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventive Services</a> , Primary Care, <a href="#">Specialist</a> , <a href="#">Urgent Care</a> and Generic drugs.  | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other <a href="#">deductibles</a> for specific services?              | No.   | You don't have to meet <a href="#">deductibles</a> for specific services.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | \$8,700/individual / \$17,400/family  | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.  |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and healthcare this <a href="#">plan</a> does not cover.  | Even though you pay these expenses, they don't count towards the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="https://providersearch.communityhealthchoice.org">https://providersearch.communityhealthchoice.org</a> or call 1-855-315-5386 for a list of <a href="#">network providers</a> . | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware our <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab works). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No.   | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
