Sección 1 Introducción

Este directorio proporciona una lista de los proveedores de la red de Community Health Choice (HMO D-SNP).

Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura (EOC).

Tendrá que elegir uno de los proveedores de nuestra red enumerados en este directorio para que sea su proveedor de atención primaria (PCP). Por lo general, debe obtener los servicios de atención médica de su PCP. Su PCP es una parte importante de su equipo de atención médica. Su PCP se asegurará de que reciba la atención que necesita, como chequeos regulares y tratamiento cuando esté enfermo. Su PCP hará un seguimiento cuando otros médicos le brinden atención. Su PCP debe ser el "hogar médico" de todos sus registros médicos. Su PCP necesita saber todo acerca de sus necesidades de atención médica pasadas y presentes. Asegúrese de que su PCP tenga todos sus registros médicos. Si es un paciente nuevo, ayude a su PCP a obtener sus registros médicos de su médico anterior. Es posible que deba firmar un formulario dando permiso para que sus registros médicos se envíen a su nuevo PCP.

Puede elegir cualquier PCP de la red de Community Health Choice. Debe elegir un PCP dentro de un consultorio y un horario de atención que sea conveniente para usted. Si le gusta el PCP que ve ahora, puede continuar viéndolo si está incluido en nuestro directorio.

Un PCP puede ser un médico, un asistente médico o un enfermero practicante capacitado y autorizado por el estado para brindarle atención médica básica. Las áreas de práctica del PCP incluyen medicina familiar, práctica general, geriatría o medicina interna.

Una vez que elija a su PCP, llame sin cargo a Servicios para Miembros al 1.833.276.8306. Actualizaremos su registro en nuestro sistema.

¿Puede un especialista ser considerado un proveedor de atención primaria?

Sí. Los miembros con discapacidades, necesidades especiales de atención médica o condiciones crónicas o complejas pueden solicitar a Community Health Choice que utilice un especialista como su PCP. Llame al número gratuito de Servicios para miembros al 1.833.276.8306.

Los proveedores de la red que figuran en este directorio han acordado brindarle servicios de atención médica, oftalmológica, dental, auditiva y de transporte. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio. Si recibe una factura de un Proveedor No Participante, no la pague. Comuníquese con Servicios para miembros al número gratuito 1.833.276.8306 (TTY 711) para obtener ayuda para resolver la factura del proveedor no participante.

Debe usar proveedores de la red, excepto en situaciones de atención de urgencia o de emergencia o para diálisis renal u otros servicios fuera del área. Para los servicios de emergencia, puede usar un proveedor no participante si es el más cercano a usted. También puede utilizar un proveedor no participante para los servicios de atención de urgencia cuando se encuentre fuera de nuestra área de servicio o cuando los proveedores de la red no estén disponibles. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Community Health Choice serán responsables de los costos.
