Q: How can I find a list of participating retailers near me?

A: The MyBenefits Portal and mobile app have a 'Store Locator' option where you can search by zip code. You may also choose to narrow your selection to view stores where you can use a particular benefit wallet. For example, if you need OTC products you can search for retail locations where you can use your card for eligible purchases. A: Purchased items may be returned/exchanged in accordance with the terms and conditions of the corresponding retailer where the transaction was made.

Q: How do I use my card to pay for items?

Q: Where can I see what's eligible for purchase?

A: Find eligible items for purchase by visiting **CommunityHealthChoice.NationsBenefits.com**

Please keep in mind:

- Product availability and price may vary by retailer
- This card is not a credit card or a gift card
- Card may not be used for 'Cash Back'

Q: If my card malfunctions at the point of sale, what should I do?

A: If your card does not work at checkout, please use another form of payment.

Afterwards, please e-mail your receipt to refundrequest@nationsbenefits.com.

You will only be reimbursed for eligible items approved by your plan.
