NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-315-5386 or <a href="https://www.communityhealthchoice.org/health-insurance-marketplace/know-the-details-2024/">https://www.communityhealthchoice.org/health-insurance-marketplace/know-the-details-2024/</a>. | Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | \$0 / individual; \$0 / family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Preventive care, Urgent Care, Mental/Behavioral Health and Substance Use Disorder services, and generic drugs are covered before you meet your deductible.                                  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> .   |
| Are there other deductibles for specific services?                   | No.  | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$1,800 / individual; \$3,600 / family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, balance-billing charges, and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://providersearch.communityh">https://providersearch.communityh</a> <a href="ealthchoice.org">ealthchoice.org</a> or call 1-855-315-5386 for a list of network providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.  | You can see the specialist you choose without a referral.   |
