Individual Plan

New Application or Change in Coverage

You have the option to choose a Consumer Choice of Benefits Health Maintenance Organization healthcare plan that, either in whole or in part, does not provide state-mandated health benefits normally required in evidences of coverage in Texas. This standard health benefit plan may provide a more affordable health plan for you although, at the same time, it may provide you with fewer health plan benefits than those normally included as state-mandated health benefits in Texas. If you choose this standard health benefit plan, please consult with your insurance agent to discover which state-mandated health benefits are excluded in this evidence of coverage.

To help us process your application promptly, please remember to:

1	Print all answers in blue or black ink. Pencil will not be accepted.
2	Make sure you personally sign the application as the primary applicant. If your spouse or any dependent(s) age 18 or over is also applying for coverage, have him/her personally sign on the appropriate signature line.
3	If it is necessary to correct any errors, simply cross out what is incorrect and write your initials next to the correct information.
4	Please do not use correction fluid or tape.

Please submit an application via one of the following methods. If submitting by mail or fax, please complete the entire application and select a premium mode in Section D.

If you are working with a Community Health Choice Agent, please remember to include the name of your agent on the back of this application.

If "Yes" is indicated above, you intend to lapse or otherwise terminate existing accident and sickness coverage and replace it with a contract to be issued by Community Health Choice. For your own information and protection, you should be aware of and seriously consider certain factors that may affect the coverage protection available to you under the new contract.

1. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present contract. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
2. If, after due consideration, you still wish to terminate your present contract and replace it with new coverage, be certain to truthfully and completely answer all questions on this application concerning any person applying for coverage.
