Section 1 – Introduction

This directory provides a list of Community Health Choice (HMO D-SNP)’s network providers.

To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **PPrimary CCare Provider (PCP)**. Generally, you must get your health care services from your PCP.

Your PCP is an important part of your healthcare team. Your PCP will make sure you get the care you need such as give you regular checkups and treat you when you are sick. Your PCP will follow up when other doctors give you care. Your PCP should be the “medical home” of all your medical records. Your PCP needs to know everything about your past and present healthcare needs. Make sure your PCP has all of your medical records. If you are a new patient, help your PCP get your medical records from your previous doctor. You may need to sign a form giving permission for your medical records to be sent to your new PCP.

You can pick any PCP in the Community Health Choice network. You should pick a PCP within an office location and office hours that are convenient for you. If you like the PCP that you see now, you can continue to see them if they are listed in our directory.

A PCP must be a physician, physician’s assistant or nurse practitioner that is trained and licensed by the state to provide your basic medical care. PCP practice areas include family medicine, general practice, geriatrics or internal medicine.

Once you pick your PCP, please call Member Services toll-free at 1.833.276.8306. We will update your record in our system.

Can a specialist ever be considered a Primary Care Provider?

Yes. Members with disabilities, special health care needs or chronic or complex conditions may ask Community Health Choice to use a specialist as their PCP. Please call Member Services toll-free at 1.833.276.8306.

The network providers listed in this directory have agreed to provide you with your health care, vision, dental, hearing and transportation services. You may go to any of our network providers listed in this directory. If you receive a bill from a Non-Participating Provider, do not pay it. Contact Member Services toll-free at 1.833.276.8306 (TTY 711) for assistance in resolving the Non-Participating Provider’s bill.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Community Health Choice (HMO D-SNP) will be responsible for the costs.
