## **Sección 1 – Introducción**

Este directorio proporciona una lista de los proveedores de la red Community DualCare Access (HMO-DSNP) y Community DualCare Aligned (HMO D-SNP). **Todos los proveedores incluidos en este directorio también aceptan Medicaid STAR+PLUS.**

Deberá elegir a uno de los proveedores de nuestra red que figuran en este directorio como su Proveedor **de Atención Primaria ( PCP )**. Generalmente, debe recibir sus servicios de atención médica de su PCP.

Su médico de cabecera es una parte importante de su equipo de atención médica. Se asegurará de que reciba la atención que necesita, como realizarle chequeos regulares y tratarlo cuando esté enfermo. Le dará seguimiento cuando otros médicos le atiendan. Su médico de cabecera debe ser el "centro médico" de todos sus historiales médicos. Su médico de cabecera necesita saber todo sobre sus necesidades de atención médica pasadas y presentes. Asegúrese de que su médico de cabecera tenga todos sus historiales médicos. Si es un paciente nuevo, ayude a su médico de cabecera a obtener sus historiales médicos de su médico anterior. Es posible que deba firmar un formulario autorizando el envío de sus historiales médicos a su nuevo médico de cabecera.

Puede elegir cualquier médico de cabecera de la red Community Health Choice. Debe elegir un médico de cabecera en una ubicación y horario que le convenga. Si le gusta el médico de cabecera que consulta actualmente, puede seguir consultándolo si figura en nuestro directorio.

Un médico de atención primaria (PCP) debe ser un médico, asistente médico o enfermero especializado capacitado y autorizado por el estado para brindar atención médica básica. Las áreas de práctica de un PCP incluyen medicina familiar, medicina general, geriatría o medicina interna.

Una vez que elija a su médico de cabecera, llame gratis a Servicios para Miembros al 1.833.276.8306. Actualizaremos su historial en nuestro sistema.

### **¿Puede un especialista ser considerado un proveedor de atención primaria?**

Sí. Los miembros con discapacidades, necesidades especiales de atención médica o afecciones crónicas o complejas pueden solicitar a Community Health Choice que utilice a un especialista como su médico de cabecera. Llame gratis a Servicios para Miembros al 1.833.276.8306.

Los proveedores de la red que figuran en este directorio han acordado brindarle servicios de atención médica, visión, odontología, audición y transporte. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio. Si recibe una factura de un proveedor no participante, no la pague.

Comuníquese con el Servicio para miembros al número gratuito 1.833.276.8306 (TTY 711) para obtener ayuda para resolver la factura del proveedor no participante.

Debe usar proveedores de la red, excepto en situaciones de emergencia o atención urgente, o para diálisis renal u otros servicios fuera del área. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Community Health Choice se harán cargo de los costos.

### **Tiempos de espera para atención primaria y salud conductual**

Community Health Choice debe brindarle acceso a atención primaria y servicios de salud conductual dentro de los siguientes plazos:

- Inmediatamente para servicios urgentemente necesarios o una emergencia
- Dentro de siete (7) días para servicios que no sean una emergencia o se necesiten con urgencia, pero que requieran atención médica
- Dentro de los treinta (30) días para atención rutinaria y preventiva
