LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS, your Service Coordinator can help you and your care team determine what options are available to support you in the way you want.

B5. How to access Community DualCare Aligned (HMO D-SNP)'s network providers

You must get all your covered services from providers within our network. If you use providers who aren't in Community DualCare Aligned (HMO D-SNP)'s **(without prior authorization), you may have to pay the bill.**

> A **prior authorization** is an approval from Community DualCare Aligned (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if Community DualCare Aligned (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Community DualCare Aligned (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Community DualCare Aligned (HMO D-SNP) can help you. Talk to your service coordinator for assistance.

D. BACKGROUND INFORMATION ABOUT COMMUNITY DUALCARE ALIGNED (HMO D-SNP)'S NETWORK PHARMACIES

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that participate in and accept **Community DualCare Aligned (HMO D-SNP)** and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by Community DualCare Aligned (HMO D-SNP), other drugs may be covered by STAR+PLUS. This can include some over-the-counter medications and certain vitamins. For drugs covered by STAR+PLUS, please visit the STAR+PLUS website **www.hhs.texas.gov/services/health/medicaid-chip/medicaid-chip-members/starplus** for more information. You can also call the Texas Medicaid Member Service Center at 800-252-8263, Monday to Friday, 7 a.m. to 7 p.m. Please bring your Member ID Card when getting prescriptions through STAR+PLUS.

Please contact Community DualCare Aligned (HMO D-SNP) Member Services at the numbers listed at the bottom of this page or your Service Coordinator for assistance.

We also list pharmacies that are in our network but are outside Harris County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Community DualCare Aligned (HMO D-SNP) at 1.833.276.8306 or TTY 711, October 1 through March 31, 8:00 am to 8:00 pm, 7 days a week and April 1 through September 30, Monday through Friday, 8:00 am to 8:00 pm., for additional information.

Community DualCare Aligned (HMO D-SNP) members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Community DualCare Aligned (HMO D-SNP) Member Handbook for more information.

If you have questions, please call Community DualCare Aligned (HMO D-SNP) at 1.833.276.8306 or TTY 711, October 1 through March 31, 8:00 am to 8:00 pm, 7 days a week and April 1 through September 30, Monday through Friday, 8:00 am to 8:00 pm. The call is free. For more information, visit **www.communityhealthchoice.org/medicare**.
